

COME HOLY SPIRIT WITH YOUR HEALING POWER

Come Holy Spirit
Come Holy Spirit
Come Holy Spirit
Europe is longing for You

*Come Holy Spirit
Come Holy Spirit
Come Holy Spirit*

Make us aware
of our sins and our wounds.
Come in our memories.
Come with Your healing power.

*Make us aware
our sins and our wounds.
Come in our memories.*

We are wounded nations.
We are wounded people.
We are a wounded continent.
Come with Your healing power.

Spirit of God,
Spirit of Jesus,
Sprit of hope,
come with Your healing power.

*Spirit of God,
Spirit of Jesus,
Spirit of hope,*

We want to live reconciled.
We want to forgive everyone.
We want to live reconciled.
Come with Your healing power.
Come with Your healing power.
You are our only hope.
